RFO-596 Geographic Information Systems (GIS) & Digital Land Surveying Products and Services

Category	Service Name	DISCOUNT OF MSRP/List Price	Unit of Measure
1. Services			
GIS Software: Data Processing, Management & Analysis	Cloud applications	3.00%	Hourly
GIS Software: Data Processing, Management & Analysis	Geospatial Artificial Intelligence (GeoAI)	3.00%	Hourly
GIS Software: Data Processing, Management & Analysis	Real-time geospatial data integration software	3.00%	Hourly
GIS Software: Data Processing, Management & Analysis	Spatial Machine Learning platforms	3.00%	Hourly
GIS Software: Data Processing, Management & Analysis	Web GIS	3.00%	Hourly
GIS Software: Data Processing, Management & Analysis	GIS Portals	3.00%	Hourly
GIS Software: Data Processing, Management & Analysis	Indoor mapping software	3.00%	Hourly
GIS Software: Data Processing, Management & Analysis	Automated data extraction software	3.00%	Hourly
GIS Software: Data Processing, Management & Analysis	Cloud platforms & SaaS for GIS	3.00%	Hourly
GIS Software: Data Processing, Management & Analysis	Image classification software	3.00%	Hourly
GIS Software: Mapping & Visualization	Graphical user interfaces (GUIs)	3.00%	Hourly
GIS Software: Mapping & Visualization	Web GIS and mobile based applications	3.00%	Hourly
GIS Software: Mapping & Visualization	GNSS mapping solutions	3.00%	Hourly
GIS Software: Mapping & Visualization	Interactive data exploration and mapping	3.00%	Hourly
